July 20, 2020

Mr. Edwin Ondrick, Jr.
Vice President
Poly Plating Incorporated
2096 Westover Road
Chicopee, MA 01022-1055

Dear Mr. Ondrick:

I am pleased to inform you that Poly Plating Incorporated, located in Chicopee, Massachusetts has qualified for renewal of its participation in the Safety and Health Achievement Recognition Program (SHARP). As you know, this recognition represents your successful participation in a comprehensive onsite consultation survey, correction of all hazards identified during this review, and the operation of an effective safety and health program.

Poly Plating Incorporated has been removed from OSHA's general schedule inspection list for the period from June 13, 2020 through June 12, 2022. Participation in this program does not diminish any of the rights or responsibilities that the Occupational Safety and Health Act provides for you or your employees.

Congratulations for taking the initiative to work with an OSHA-sponsored consultant and for your interest in occupational safety and health.

Sincerely,

Galen Blanton
Regional Administrator
